

Customer Meetings Requirements during COVID-19

The following requirements have been developed to keep our customers and employees safe in meetings during the COVID-19 pandemic.

- When possible, meetings will be held virtually.
- For onsite meetings, please follow these requirements:
 - Scientific Learning employees are encouraged to wear a mask or other face covering while at customer locations.
 - Scientific Learning employees will abide by all state, city or county requirements for masks or face coverings and social distancing
 - Limit the size of the group in a room to ensure social distancing is possible
 - Practice a social distance of at least 6 feet.
